

The Catskill Community Players is a not-for-profit community theater group founded in 1974. Its purpose is to provide and promote high quality live theater in communities throughout upstate New York.

The group recently celebrated their 50<sup>th</sup> Anniversary Season. The Catskill Community Players currently performs at the Wieting Theater in Worcester, NY.

Many dedicated actors, directors, and production staff members have put in countless hours preparing and presenting each production. Over the years, they have presented over 80 productions! Neil Simon's *Rumor's* in 2022 was CCP's celebratory return from the pandemic pause. We love to make the audience laugh, cry, find joy, and forget the world, even if only for a little while!

Your ad will be viewed by hundreds of your neighbors & clientele. Thank you for supporting community theater at its best!
